

CITATION REPORT

List of articles citing

Combined use of androgen and sildenafil for hypogonadal patients unresponsive to sildenafil alone

DOI: 10.1038/sj.ijir.3901446

International Journal of Impotence Research, 2006, 18, 400-4

Source: <https://exaly.com/paper-pdf/40448008/citation-report.pdf>

Version: 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
