## CITATION REPORT List of articles citing

Determination of changes in blood pressure during administration of sildenafil (Viagra) in patients with spinal cord injury and erectile dysfunction

DOI: 10.1038/sj.sc.3101846 Spinal Cord, 2006, 44, 301-8.

Source: https://exaly.com/paper-pdf/40451619/citation-report.pdf

Version: 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
