

CITATION REPORT

List of articles citing

European regulations on nutraceuticals, dietary supplements and functional foods: a framework based on safety

DOI: 10.1016/j.tox.2005.12.022
Toxicology, 2006, 221, 59-74.

Source: <https://exaly.com/paper-pdf/40563835/citation-report.pdf>

Version: 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
