

# CITATION REPORT

List of articles citing

Induction of pluripotent stem cells from mouse embryonic and adult fibroblast cultures by defined factors

DOI: 10.1016/j.cell.2006.07.024  
Cell, 2006, 126, 663-76.

**Source:** <https://exaly.com/paper-pdf/40605102/citation-report.pdf>

**Version:** 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
