

CITATION REPORT

List of articles citing

Polymorphisms in inflammation-related genes and risk of gastric cancer (Finland)

DOI: 10.1007/s10552-005-0439-7

Cancer Causes and Control, 2006, 17, 117-25.

Source: <https://exaly.com/paper-pdf/40633748/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
