

# CITATION REPORT

List of articles citing

IL-22 regulates the expression of genes responsible for antimicrobial defense, cellular differentiation, and mobility in keratinocytes: a potential role in psoriasis

DOI: 10.1002/eji.200535503

European Journal of Immunology, 2006, 36, 1309-23.

**Source:** <https://exaly.com/paper-pdf/40848717/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
