

CITATION REPORT

List of articles citing

**Pre-symptomatic diagnosis in fatal familial insomnia:
serial neurophysiological and 18FDG-PET studies**

DOI: 10.1093/brain/awl003
Brain, 2006, 129, 668-75.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
