

CITATION REPORT

List of articles citing

Peritoneal fluid leptin is associated with chronic pelvic pain but not infertility in endometriosis patients

DOI: 10.1093/humrep/dei376
Human Reproduction, 2006, 21, 788-91.

Source: <https://exaly.com/paper-pdf/40926201/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
