

Activation of Preexisting and Acquired Face Representations Potential as an Index of Face Familiarity

Journal of Cognitive Neuroscience

18, 1488-1497

DOI: [10.1162/jocn.2006.18.9.1488](https://doi.org/10.1162/jocn.2006.18.9.1488)
