

CITATION REPORT

List of articles citing

Relationship between short sleeping hours and childhood overweight/obesity: results from the Qubec en FormerProject

DOI: 10.1038/sj.ijo.0803291

International Journal of Obesity, 2006, 30, 1080-5.

Source: <https://exaly.com/paper-pdf/41168824/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
