

# CITATION REPORT

List of articles citing

Accelerated antigen sampling and transport by airway mucosal dendritic cells following inhalation of a bacterial stimulus

DOI: 10.4049/jimmunol.177.9.5861

Journal of Immunology, 2006, 177, 5861-7.

**Source:** <https://exaly.com/paper-pdf/41262548/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
