

# CITATION REPORT

List of articles citing

The cognitive neuropsychology of depression in the elderly

DOI: 10.1017/s0033291707001134

Psychological Medicine, 2007, 37, 1693-702.

**Source:** <https://exaly.com/paper-pdf/41348980/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
208	White matter hyperintensities in late life depression: a systematic review. <b>2008</b> , 79, 619-24		301
207	Differentiating early and late-onset depression with multichannel near-infrared spectroscopy. <b>2008</b> , 8, 79-87		11
206	Improving the prediction of treatment response in depression: integration of clinical, cognitive, psychophysiological, neuroimaging, and genetic measures. <b>2008</b> , 13, 1066-86; quiz 1087-8		125
205	Current world literature. <b>2008</b> , 21, 651-9		
204	The role of executive functions in psychiatric disorders. 117-137		7
203	A comparison of neurocognitive impairment in younger and older adults with major depression. <i>Psychological Medicine</i> , <b>2009</b> , 39, 725-33	6.9	85
202	Cognitive behavioural therapy with older adults: enthusiasm without the evidence?. <b>2009</b> , 2, 75-82		4
201	A meta-analysis of depression severity and cognitive function. <b>2009</b> , 119, 1-8		578
200	Frontal Atrophy and Attention Deficits in Older Adults with a History of Elevated Depressive Symptoms. <b>2009</b> , 3, 358		8
199	Lexical and semantic fluency discrepancy scores in aMCI and early Alzheimer's disease. <b>2009</b> , 3, 79-92		44
198	What is the association between depression and Alzheimer's disease?. <b>2009</b> , 9, 1667-76		61
197	Validation of the Danish Addenbrooke's Cognitive Examination as a screening test in a memory clinic. <b>2009</b> , 27, 361-5		37
196	Non-essential symptoms of depression and cognitive impairment no dementia (CIND) in community-dwelling elders without dysphoria or anhedonia. <b>2010</b> , 22, 1344-52		9
195	Depression and cognitive function in maintenance hemodialysis patients. <b>2010</b> , 56, 704-12		91
194	Depression severity is correlated to the integrity of white matter fiber tracts in late-onset major depression. <b>2010</b> , 184, 38-48		77
193	Cognitive impairment in major depression. <b>2010</b> , 626, 83-6		287
192	The SeniorWISE study: improving everyday memory in older adults. <b>2010</b> , 24, 291-306		53
