

CITATION REPORT

List of articles citing

Electrocardiographic abnormalities in infants born from mothers with autoimmune diseases--a multicentre prospective study

DOI: 10.1093/rheumatology/kem073
Rheumatology, 2007, 46, 1285-9.

Source: <https://exaly.com/paper-pdf/41401172/citation-report.pdf>

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
