Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
2170	Clarifying quality of life assessment: do theoretical models capture the underlying cognitive processes?. 2008 , 17, 1093-102		21
2169	Using respondent-driven sampling methodology for HIV biological and behavioral surveillance in international settings: a systematic review. 2008 , 12, S105-30		323
2168	Focus group methodology Part 2: Considerations for analysis. 2008 , 15, 123-129		43
2167	How can reporting guidelines help you write your research findings?. 2009 , 56, 5-9		7
2166	All right, SQUIRE?. 2009 , 10, 57-8		1
2165	Health care assistants in primary care depression management: role perception, burdening factors, and disease conception. 2009 , 7, 513-9		28
2164	Editorial: How to Write an Effective Results and Discussion for the Journal of Pediatric Psychology. 2009 , 34, 339-343		11
2163	The EQUATOR Network and the PRISMA Statement for the reporting of systematic reviews and meta-analyses. 2009 , 95, 237-40		11
2162	Adolescent experiences following organ transplantation: a systematic review of qualitative studies. 2009 , 155, 542-9		83
2161	UK health-care professionals' experience of on-line learning techniques: a systematic review of qualitative data. 2009 , 29, 235-41		61
2160	Improving the quality of reporting of research studies. 2009 , 7, 137-42		3
2159	Exploring mentorship as a strategy to build capacity for knowledge translation research and practice: protocol for a qualitative study. 2009 , 4, 55		33
2158	Nurses' and physicians' educational needs in seclusion and restraint practices. 2009 , 45, 198-207		13
2157	Empirical studies of clinical supervision in psychiatric nursing: A systematic literature review and methodological critique. 2009 , 18, 250-64		56
2156	Surveying clinical surveys. 2009 , 116, 1285-9		7
2155	Community preferences for the allocation of solid organs for transplantation: a systematic review. 2010 , 89, 796-805		50
2154	Information transfer and communication in surgery: a systematic review. 2010 , 252, 225-39		140

2153	Somatically ill persons' self-nominated quality of life domains: review of the literature and guidelines for future studies. 2010 , 19, 253-91	4
2152	Putting the text back into context: toward increased use of mixed methods for quality of life research. 2010 , 19, 613-5	18
2151	PRO development: rigorous qualitative research as the crucial foundation. 2010 , 19, 1087-96	270
2150	Improving the quality of reporting in veterinary journals: how far do we need to go with reporting guidelines?. 2010 , 184, 249-50	8
2149	Prescriber and staff perceptions of an electronic prescribing system in primary care: a qualitative assessment. 2010 , 10, 72	19
2148	Perceptions about intellectual disability: a qualitative study from Vellore, South India. 2010 , 54, 736-48	69
2147	What are possible barriers and facilitators to implementation of a Participatory Ergonomics programme?. 2010 , 5, 64	30
2146	Emotional intelligence in medicine: a systematic review through the context of the ACGME competencies. 2010 , 44, 749-64	205
2145	Patient restrictions: are there ethical alternatives to seclusion and restraint?. 2010 , 17, 65-76	63
2144	A guide to qualitative research in plastic surgery. 2010 , 126, 1089-1097	36
2143	Breaking the silence barrier: opportunities to address breast cancer in African-born women. 2010 , 102, 461-8	22
2142	Lecture critique d'art��cle en m��decine palliative : tentative de conciliation. 2010 , 9, 242-250	1
2141	Formative research to optimize respondent-driven sampling surveys among hard-to-reach populations in HIV behavioral and biological surveillance: lessons learned from four case studies. 2010 , 22, 784-92	78
2140	The views of patients and carers in treatment decision making for chronic kidney disease: systematic review and thematic synthesis of qualitative studies. 2010 , 340, c112	319
2139	Factors influencing return to work experienced by people with acquired brain injury: a qualitative research study. 2011 , 33, 2237-46	55
2138	Experiences and needs for work participation in employees with rheumatoid arthritis treated with anti-tumour necrosis factor therapy. 2011 , 33, 2587-95	14
2137	Work-related limitations and return-to-work experiences in prolonged fatigue: workers' perspectives before and after vocational treatment. 2011 , 33, 2166-78	2
2136	Exploring the return-to-work process for workers partially returned to work and partially on long-term sick leave due to common mental disorders: a qualitative study. 2011 , 33, 1625-35	58

2135	Overcoming barriers to work participation for patients with postpoliomyelitis syndrome. 2011 , 33, 522-9	12
2134	Management of infections in type 2 diabetes from the patient's perspective: a qualitative approach. 2011 , 5, 33-7	
2133	Content validity--establishing and reporting the evidence in newly developed patient-reported outcomes (PRO) instruments for medical product evaluation: ISPOR PRO good research practices task force report: part 1--eliciting concepts for a new PRO instrument. 2011 , 14, 967-77	552
2132	Return to work after breast cancer: women's experiences of encounters with different stakeholders. 2011 , 15, 267-74	43
2131	A review of critical appraisal tools show they lack rigor: Alternative tool structure is proposed. 2011 , 64, 79-89	155
2130	[From the nursing home to hospital and back again] A mixed methods study on hospital transfers from nursing homes]. 2011 , 105, 714-22	25
2129	The transition to dementia--individual and family experiences of receiving a diagnosis: a review. 2011 , 23, 1026-43	91
2128	"Persist. persist.": A qualitative study of women's decisions to disclose and their perceptions of the impact of routine screening for intimate partner violence.. 2011 , 1, 150-162	43
2127	Unintended benefits: leadership skills and behavioral change among Guatemalan fieldworkers employed in a longitudinal household air pollution study. 2010 , 31, 311-30	1
2126	Pharmacy Owner and Manager Perceptions of Pharmacy Adaptation Services in British Columbia. 2011 , 144, 231-235	4
2125	Patient safety: nursing students' perspectives and the role of nursing education to provide safe care. 2011 , 58, 434-42	60
2124	Weight gain associated with taking psychotropic medication: an integrative review. 2011 , 20, 202-22	71
2123	Context is everything: the role of auto-ethnography, reflexivity and self-critique in establishing the credibility of qualitative research findings. 2011 , 20, 421-3	2
2122	Employment and breast cancer: a meta-ethnography. 2011 , 20, 708-19	57
2121	Perspectives of Iranian male nursing students regarding the role of nursing education in developing a professional identity: a content analysis study. 2011 , 8, 174-83	33
2120	Older people's perspectives on fall risk and fall prevention programs: a literature review. 2011 , 6, 289-98	65
2119	The role of information technology in the development of community pharmacy services: visions and strategic views of international experts. 2011 , 7, 430-7	16
2118	A general critical appraisal tool: an evaluation of construct validity. 2011 , 48, 1505-16	78

2117	Experiences about HIV-AIDS preventive-control activities. Discourses from non-governmental organizations professionals and users. 2011 , 25, 184-90	4
2116	An exploratory study of the role of trust in medication management within mental health services. 2011 , 33, 614-20	14
2115	Provider perceptions of barriers to the emergency use of tPA for acute ischemic stroke: a qualitative study. 2011 , 11, 5	41
2114	A worked example of "best fit" framework synthesis: a systematic review of views concerning the taking of some potential chemopreventive agents. 2011 , 11, 29	195
2113	Development of a validated patient-reported symptom metric for pediatric eosinophilic esophagitis: qualitative methods. 2011 , 11, 126	63
2112	Empowerment in outpatient care for patients with chronic kidney disease - from the family member's perspective. 2011 , 10, 21	21
2111	Managing resources in NHS dentistry: using health economics to inform commissioning decisions. 2011 , 11, 138	4
2110	Applicability of the Assessment of Chronic Illness Care (ACIC) instrument in Germany resulting in a new questionnaire: questionnaire of chronic illness care in primary care. 2011 , 11, 164	7
2109	Core indicators evaluation of effectiveness of HIV-AIDS preventive-control programmes carried out by nongovernmental organizations. A mixed method study. 2011 , 11, 176	4
2108	Paucity of qualitative research in general medical and health services and policy research journals: analysis of publication rates. 2011 , 11, 268	35
2107	A rapid equity focused health impact assessment of a policy implementation plan: An Australian case study and impact evaluation. 2011 , 10, 6	14
2106	Protocol: developing a conceptual framework of patient mediated knowledge translation, systematic review using a realist approach. 2011 , 6, 25	12
2105	"What's the point?" exploring rehabilitation for people with 1° CNS tumours using ethnography: patients' perspectives. 2011 , 16, 201-17	7
2104	The suitability of yoga as a potential therapeutic intervention for rheumatoid arthritis: a focus group approach. 2011 , 9, 211-21	15
2103	Development and validation of a novel idiographic measure of cystectomy patients' goals and concerns before surgery. 2011 , 11, 273-5	
2102	Informed consent and decision-making about adult-to-adult living donor liver transplantation: a systematic review of empirical research. 2011 , 92, 1285-96	30
2101	The Model of Interpersonal Teacher Behaviour: a qualitative cross-cultural validation within the Greek elementary education context. 2011 , 39, 1-24	4
2100	Decision-making around gastrostomy-feeding in children with neurologic disabilities. 2011 , 127, e1471-81	57

2099	Using the systematic review methodology to evaluate factors that influence the persistence of influenza virus in environmental matrices. 2011 , 77, 1049-60	29
2098	Pediatric restless legs syndrome: analysis of symptom descriptions and drawings. 2011 , 26, 1365-76	38
2097	Legally brown: using ethnographic methods to understand sun protection attitudes and behaviours among young Australians 'I didn't mean to get burnt--it just happened!'. 2011 , 26, 39-52	33
2096	Use of Reporting Guidelines in Scientific Writing: PRISMA, CONSORT, STROBE, STARD and Other Resources. 2011 , 12, 1-21	18
2095	Critically appraising qualitative research: a guide for clinicians more familiar with quantitative techniques. 2011 , 19, 364-7	30
2094	På høje og lave oplevelser af samlivet med deprimerede mennesker: En kvalitativ metasyntese. 2011 , 31, 32-37	2
2093	Contextual factors affecting task distribution in two participatory ergonomic interventions: a qualitative study. 2011 , 54, 1005-16	12
2092	Practice-based depression case management in primary care: a qualitative study on family doctors' perspectives. 2011 , 28, 565-71	10
2091	Editorial policies aimed at improving the transparency and validity of published research. 2011 , 53, 183-6	4
2090	Teamwork for clinical emergencies: interprofessional focus group analysis and triangulation with simulation. 2012 , 22, 1383-94	35
2089	Factors that influence the decision to be an organ donor: a systematic review of the qualitative literature. 2012 , 27, 2526-33	136
2088	Stakeholder perspectives on workplace health promotion: a qualitative study of mid-sized employers in low-wage industries. 2012 , 27, 103-10	38
2087	Improving the quality of qualitative studies: do reporting guidelines have a place?. 2012 , 29, 367-9	11
2086	Writing usable qualitative health research findings. 2012 , 22, 1404-13	215
2085	Problems of adults with a mitochondrial disease - the patients' perspective: focus on loss. 2012 , 6, 85-94	2
2084	A mixed method approach to clarify the construct validity of interprofessional collaboration: an empirical research illustration. 2012 , 26, 283-8	11
2083	Participating in cardiac rehabilitation: a systematic review and meta-synthesis of qualitative data. 2012 , 19, 494-503	184
2082	Frail elders' experiences with and perceptions of health. 2012 , 22, 1513-23	30

2081	Public awareness of clinical trials: A qualitative pilot study in Pune. 2012 , 3, 125-32	11
2080	The perceptions of obese school children in Hong Kong toward their weight-loss experience. 2012 , 28, 370-8	6
2079	Motor imagery experiences and use: asking patients after stroke where, when, what, why, and how they use imagery: a qualitative investigation. 2012 , 2012, 503190	12
2078	Individual influences on lifestyle change to reduce vascular risk: a qualitative literature review. 2012 , 62, e403-10	25
2077	Does prognosis and socioeconomic status impact on trust in physicians? Interviews with patients with coronary disease in South Australia. 2012 , 2,	20
2076	General practitioner experience and perception of Child and Adolescent Mental Health Services (CAMHS) care pathways: a multimethod research study. 2012 , 2,	24
2075	Evaluating the impact and use of Transparent Reporting of Evaluations with Non-randomised Designs (TREND) reporting guidelines. 2012 , 2,	12
2074	The key actor: a qualitative study of patient participation in the handover process in Europe. 2012 , 21 Suppl 1, i89-96	41
2073	"It's like two worlds apart": an analysis of vulnerable patient handover practices at discharge from hospital. 2012 , 21 Suppl 1, i67-75	54
2072	Beliefs and experiences can influence patient participation in handover between primary and secondary care--a qualitative study of patient perspectives. 2012 , 21 Suppl 1, i76-83	41
2071	Barriers and facilitators to implementation of an occupational health guideline aimed at preventing weight gain among employees in the Netherlands. 2012 , 54, 954-60	23
2070	Guidelines on low back pain disability: interprofessional comparison of use between general practitioners, occupational therapists, and physiotherapists. 2012 , 37, 1252-9	27
2069	A qualitative study of patients' goals and expectations for self-management of COPD. 2012 , 21, 384-91	48
2068	Acceptability and feasibility of pulmonary rehabilitation for COPD: a community qualitative study. 2012 , 21, 419-24	24
2067	A qualitative investigation of adherence to nutritional therapy in malnourished adult AIDS patients in Kenya. 2012 , 15, 316-23	19
2066	Setting the agenda for quality improvement in pediatric sickle cell disease. 2012 , 104, 337-41	3
2065	Perspectives of emergency department staff on the triage of mental health-related presentations: Implications for education, policy and practice. 2012 , 24, 492-500	14
2064	Do journals publishing in the field of urology endorse reporting guidelines? A survey of author instructions. 2012 , 88, 54-9	27

2063	Why do older adult women fall short of the recommended follow-up care for coronary artery disease?. 2012 , 22, e473-82	3
2062	[Deficiencies and barriers of the cooperation between German general practitioners and occupational health physicians? A qualitative content analysis of focus groups]. 2012 , 106, 639-48	22
2061	Evaluating and writing education papers compared with noneducation papers. 2012 , 19, 1100-9	2
2060	Enhancing transparency in reporting the synthesis of qualitative research: ENTREQ. 2012 , 12, 181	1217
2059	Patients' experiences with symptoms and needs in the early rehabilitation phase after coronary artery bypass grafting. 2012 , 11, 14-24	32
2058	InterACTIV: an exploratory study of the use of a game console to promote physical activation of hospitalized adult patients with cancer. 2012 , 39, E84-90	20
2057	Views of midwives about ethical aspects of participation in placental perfusion studies. 2012 , 28, 131-7	11
2056	Publication guidelines need widespread adoption. 2012 , 65, 239-46	28
2055	[The meaning of standardized language NANDA-NIC-NOC intensive care nurses in Madrid: a phenomenological approach]. 2012 , 23, 68-76	5
2054	Children's experiences of living with juvenile idiopathic arthritis: a thematic synthesis of qualitative studies. 2012 , 64, 1392-404	86
2053	'Groping through the fog': a metasynthesis of women's experiences on VBAC (Vaginal birth after Caesarean section). 2012 , 12, 85	50
2052	Ethical aspects in tissue research: thematic analysis of ethical statements to the research ethics committee. 2012 , 13, 20	2
2051	Social factors associated with alcohol consumption in the former Soviet Union: a systematic review. 2012 , 47, 711-8	17
2050	Experiences of family members of elderly patients in the emergency department: a qualitative study. 2012 , 20, 193-200	29
2049	Reporting guidelines: optimal use in preventive medicine and public health. 2012 , 43, e31-42	9
2048	Mapping out the emergency department disposition decision for high-acuity patients. 2012 , 60, 567-576.e4	51
2047	Leisure and Pleasure: Science events in unusual locations. 2012 , 34, 2775-2795	44
2046	Childhood Cancer Survivor Study participants' perceptions and knowledge of health insurance coverage: implications for the Affordable Care Act. 2012 , 6, 251-9	34

2045	Development of the Pediatric Quality of Life InventoryâEosinophilic Esophagitis module items: qualitative methods. 2012 , 12, 135	35
2044	Mechanisms underpinning effective peer support: a qualitative analysis of interactions between expert peers and patients newly-diagnosed with bipolar disorder. 2012 , 12, 196	39
2043	Barriers and facilitators to mental health help-seeking for young elite athletes: a qualitative study. 2012 , 12, 157	232
2042	Structured classification for ED presenting complaints - from free text field-based approach to ICPC-2 ED application. 2012 , 20, 76	16
2041	Are peer reviewers encouraged to use reporting guidelines? A survey of 116 health research journals. 2012 , 7, e35621	105
2040	The role of fathers in the postpartum period: experiences with skin to skin method. 2012 , 25, 914-920	1
2039	Themes elicited during motivational interviewing to improve glycaemic control in adults with Type 1 diabetes mellitus. 2012 , 29, 148-52	13
2038	Quality of life in paediatric eosinophilic oesophagitis: what is important to patients?. 2012 , 38, 477-83	49
2037	Boundary work and the introduction of acute care nurse practitioners in healthcare teams. 2012 , 68, 1504-15	44
2036	Root causes of errors in a simulated prehospital pediatric emergency. 2012 , 19, 37-47	82
2035	Seclusion and restraint in psychiatry: patients' experiences and practical suggestions on how to improve practices and use alternatives. 2012 , 48, 16-24	101
2034	QUAGOL: a guide for qualitative data analysis. 2012 , 49, 360-71	311
2033	How are acute care nurse practitioners enacting their roles in healthcare teams? A descriptive multiple-case study. 2012 , 49, 850-62	24
2032	Elder self neglect: A geriatric syndrome or a life course story?. 2012 , 26, 109-118	23
2031	Optimal helmet use and adjustments with respect to neck load: The experience of military helicopter aircrew. 2012 , 42, 73-79	7
2030	The motivations and experiences of living kidney donors: a thematic synthesis. 2012 , 60, 15-26	97
2029	Patients' perspectives on depression case management in general practice - a qualitative study. 2012 , 86, 114-9	23
2028	A review of community engagement in cancer control studies among Indigenous people of Australia, New Zealand, Canada and the USA. 2012 , 21, 283-95	8

2027	The experiences of commercial kidney donors: thematic synthesis of qualitative research. 2012 , 25, 1138-49	39
2026	The experience of surviving life-threatening injury: a qualitative synthesis. 2012 , 59, 312-20	25
2025	Exploring factors relevant in the assessment of the return-to-work process of employees on long-term sickness absence due to a depressive disorder: a focus group study. 2012 , 12, 103	11
2024	Identifying factors relevant in the assessment of return-to-work efforts in employees on long-term sickness absence due to chronic low back pain: a focus group study. 2012 , 12, 77	8
2023	A qualitative study on the role of cultural background in patients' perspectives on rehabilitation. 2012 , 13, 5	24
2022	Navigating motherhood choices in the context of rheumatoid arthritis: women's stories. 2013 , 11, 73-82	21
2021	Psychosocial aspects of post-treatment follow-up for stage I/II melanoma: a systematic review of the literature. 2013 , 22, 721-36	39
2020	Conceptual framework of acute care nurse practitioner role enactment, boundary work, and perceptions of team effectiveness. 2013 , 69, 205-17	24
2019	Evaluating care pathways for community psychiatry in England: a qualitative study. 2013 , 19, 298-303	5
2018	Is the influence of nurse care practices and nursing home organization understood? A qualitative study. 2013 , 21, 1044-52	4
2017	'It is me who eats, to nourish him': a mixed-method study of breastfeeding in post-earthquake Haiti. 2013 , 9, 74-89	19
2016	"It's up to you and God": understanding health behavior change in older African American survivors of colorectal cancer. 2013 , 3, 94-103	25
2015	Obstacles to and facilitators of return to work after work-disabling back pain: the workers' perspective. 2013 , 23, 280-9	27
