

CITATION REPORT

List of articles citing

Preliminary experience with the use of oral linezolid in infants for the completion of antibiotic therapy in the outpatient setting after admission to the pediatric intensive care unit

DOI: 10.1097/01.mjt.0000183719.84390.4d

American Journal of Therapeutics, 2006, 13, 473-7.

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
