

# CITATION REPORT

List of articles citing

**Associations between serum 25-hydroxyvitamin D3 concentrations and liver histology in patients with non-alcoholic fatty liver disease**

**DOI: 10.1016/j.numecd.2006.04.002**

**Nutrition, Metabolism and Cardiovascular Diseases, 2007, 17, 517-24.**

**Source:** <https://exaly.com/paper-pdf/41991037/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
323	Structure of the pentapeptide proctolin, a proposed neurotransmitter in insects. <b>1975</b> , 17, 1253-6		243
322	Prevalence of vitamin K and vitamin D deficiency in patients with hepatobiliary and pancreatic disorders. <b>2009</b> , 29, 676-83		18
