

# CITATION REPORT

List of articles citing

International estimates of infertility prevalence and treatment-seeking: potential need and demand for infertility medical care

DOI: 10.1093/humrep/dem046  
Human Reproduction, 2007, 22, 1506-12.

**Source:** <https://exaly.com/paper-pdf/42197459/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
