Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
1503	The real contribution of added sugars and fats to obesity. <i>Epidemiologic Reviews</i> , 2007 , 29, 160-71	4.1	148
1502	The obesity epidemic: looking in the mirror. 2007 , 166, 243-5		12
1501	Socioeconomic status and obesity. <i>Epidemiologic Reviews</i> , 2007 , 29, 29-48	4.1	1367
1500	Social patterning of chronic disease risk factors in a Latin American city. 2008 , 85, 923-37		45
1499	Income-related inequality in the distribution of obesity among Europeans. 2008 , 16, 403-411		14
1498	Disparities in obesity prevalence due to variation in the retail food environment: three testable hypotheses. 2008 , 66, 216-28		128
1497	Overweight and obesity in preadolescent children and their parents in Cyprus: prevalence and associated socio-demographic factors - the CYKIDS study. 2008 , 9, 185-93		19
1496	Prevalence of overweight in the Seychelles: 15 year trends and association with socio-economic status. 2008 , 9, 511-7		27
1495	Male and female adult population health status in China: a cross-sectional national survey. 2008 , 8, 277		38
1494	Social rank and adult male nutritional status: evidence of the social gradient in health from a foraging-farming society. 2008 , 67, 2107-15		19
1493	Personal and neighborhood socioeconomic status and indices of neighborhood walk-ability predict body mass index in New York City. 2008 , 67, 1951-8		56
1492	Our perception of weight: Socioeconomic and sociocultural explanations. 2008 , 2, 71-142		15
1491	Inflammation as an intermediate pathway in the association between psychosocial stress and obesity. 2008 , 94, 536-9		42
1490	Social inequality and incidence of and survival from cancers of the oesophagus, stomach and pancreas in a population-based study in Denmark, 1994-2003. 2008 , 44, 1962-77		32
1489	Molecular cloning and characterization of the sheep malic enzyme cDNA. 2008 , 423, 72-8		6
1488	No midpregnancy fall in diastolic blood pressure in women with a low educational level: the Generation R Study. 2008 , 52, 645-51		29
1487	Go to the head of the class to avoid vascular dementia and skip diabetes and obesity. 2008 , 71, 1046-7		8

1486	Is obesity our genetic legacy?. 2008 , 93, S51-6	47
1485	Disparities in breast cancer incidence across racial/ethnic strata and socioeconomic status: a systematic review. 2008 , 100, 833-9	21
1484	Global calorie counting: a fitting exercise for obese societies. 2008 , 29, 297-302	6
1483	Human obesity: a heritable neurobehavioral disorder that is highly sensitive to environmental conditions. 2008 , 57, 2905-10	129
1482	The predictive value of different socio-economic indicators for overweight in nine European countries. 2008 , 11, 1256-66	37
1481	Gender in/and/of Health Inequalities. 2008 , 43, 11-28	10
