

CITATION REPORT

List of articles citing

Factor analysis of cardiovascular risk clustering in pediatric metabolic syndrome: CASPIAN study

DOI: 10.1159/000104139

Annals of Nutrition and Metabolism, 2007, 51, 208-15.

Version: 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
