

# CITATION REPORT

List of articles citing

## Association of STAT4 with rheumatoid arthritis in the Korean population

DOI: 10.2119/2007-00072.lee  
Molecular Medicine, 2007, 13, 455-60.

**Source:** <https://exaly.com/paper-pdf/42507133/citation-report.pdf>

**Version:** 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
