

CITATION REPORT

List of articles citing

Transient expression of FOXP3 in human activated nonregulatory CD4+ T cells

DOI: 10.1002/eji.200636435

European Journal of Immunology, 2007, 37, 129-38.

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
