

CITATION REPORT

List of articles citing

Imaging strategies to reduce the risk of radiation in CT studies, including selective substitution with MRI

DOI: 10.1002/jmri.20895

Journal of Magnetic Resonance Imaging, 2007, 25, 900-9.

Source: <https://exaly.com/paper-pdf/42634245/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
