

CITATION REPORT

List of articles citing

Synchronization-based approach for parameters identification in delayed chaotic neural networks

DOI: 10.1016/j.physa.2007.04.021

Physica A: Statistical Mechanics and Its Applications, 2007, 382, 672-682.

Source: <https://exaly.com/paper-pdf/42713197/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
