

CITATION REPORT

List of articles citing

Overweight with concurrent stunting in very young children from rural Mexico: prevalence and associated factors

DOI: 10.1038/sj.ejcn.1602558

European Journal of Clinical Nutrition, 2007, 61, 623-32.

Source: <https://exaly.com/paper-pdf/42814694/citation-report.pdf>

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
