

# CITATION REPORT

List of articles citing

Multiple socio-economic circumstances and healthy food habits

DOI: 10.1038/sj.ejcn.1602583

European Journal of Clinical Nutrition, 2007, 61, 701-10.

**Source:** <https://exaly.com/paper-pdf/42814718/citation-report.pdf>

**Version:** 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
155	Socioeconomic differences in fruit and vegetable consumption among middle-aged French adults: adherence to the 5 A Day recommendation. <b>2008</b> , 108, 2021-30		55
154	Socioeconomic questionnaire and clinical assessment in the HELENA Cross-Sectional Study: methodology. <b>2008</b> , 32 Suppl 5, S19-25		65
153	Consumption of fruit, vegetables, sweets and soft drinks are associated with psychological dimensions of eating behaviour in parents and their 12-year-old children. <b>2008</b> , 11, 914-23		89
152	Does social class predict diet quality?. <i>American Journal of Clinical Nutrition</i> , <b>2008</b> , 87, 1107-17	7	1334
151	Fruit and vegetable consumption close to recommendations. A partly web-based nationwide dietary survey in Swedish adults. <b>2009</b> , 53,		16
150	The influence of deprivation and ethnicity on the incidence of esophageal cancer in England. <b>2009</b> , 20, 1459-67		16
149	Intake of total, animal and plant proteins, and their food sources in 10 countries in the European Prospective Investigation into Cancer and Nutrition. <i>European Journal of Clinical Nutrition</i> , <b>2009</b> , 63 Suppl 4, S16-36	5.2	67
148	Dietary fat intake in the European Prospective Investigation into Cancer and Nutrition: results from the 24-h dietary recalls. <i>European Journal of Clinical Nutrition</i> , <b>2009</b> , 63 Suppl 4, S61-80	5.2	83
147	A systematic review of studies on socioeconomic inequalities in dietary intakes associated with weight gain and overweight/obesity conducted among European adults. <b>2010</b> , 11, 413-29		237
146	Differences between older and younger Poles in functional food consumption, awareness of metabolic syndrome risk and perceived barriers to health improvement. <b>2009</b> , 34, 311-318		14
145	Trends in food and nutritional intakes of French adults from 1999 to 2007: results from the INCA surveys. <b>2010</b> , 103, 1035-48		204
144	Variations in compliance with starchy food recommendations and consumption of types of starchy foods according to sociodemographic and socioeconomic characteristics. <b>2010</b> , 103, 1485-92		9
143	Heterogeneity of dietary profiles in highly sedentary young Guadeloupean women. <b>2010</b> , 20, 401-8		3
142	Modeling physical quantities of food and nutrients consumed from aggregate data—with an application to Finland. <b>2010</b> , 41, 293-304		4
141	Dietary patterns and socioeconomic position. <i>European Journal of Clinical Nutrition</i> , <b>2010</b> , 64, 231-8	5.2	109
140	Associations of socioeconomic factors with inadequate dietary intake in food aid users in France (The ABENA study 2004-2005). <i>European Journal of Clinical Nutrition</i> , <b>2010</b> , 64, 374-82	5.2	23
139	The association of income with fresh fruit and vegetable consumption at different levels of education. <i>European Journal of Clinical Nutrition</i> , <b>2010</b> , 64, 324-7	5.2	41

138	Associations between food patterns, socioeconomic position and working situation among adult, working women and men in Oslo. <i>European Journal of Clinical Nutrition</i> , <b>2010</b> , 64, 1150-7	5.2	19
137	Healthy Eating. <b>2010</b> , 99-110		1
136	Socioeconomic Inequalities in Fruit and Vegetable Intakes. <b>2010</b> , 195-203		2
135	Variations in compliance with recommendations and types of meat/seafood/eggs according to sociodemographic and socioeconomic categories. <b>2010</b> , 56, 65-73		12
134	Educational differences in the diet of Finnish adults and the associations between education and the determinants and facilitators of dietary fat quality. <b>2010</b> , 13, 925-31		8
133	Quality of diet and food choices of Finnish young men: a sociodemographic and health behaviour approach. <b>2010</b> , 13, 980-6		15
132	The impact of income and education on dietary habits in stone formers. <b>2010</b> , 76, 307-13		11
131	Complaints of insomnia among midlife employed people: the contribution of childhood and present socioeconomic circumstances. <b>2010</b> , 11, 828-36		22
130	Dietary intake and nutrition-related knowledge in a sample of Lebanese adolescents of contrasting socioeconomic status. <b>2011</b> , 32, 75-83		14
129	Sociodemographic and economic characteristics associated with dairy intake vary across genders. <b>2011</b> , 24, 74-85		8
128	Needs for food security from the standpoint of Canadian households participating and not participating in community food programmes. <b>2011</b> , 35, 58-68		15
127	Does diet cost mediate the relation between socioeconomic position and diet quality?. <i>European Journal of Clinical Nutrition</i> , <b>2011</b> , 65, 1059-66	5.2	151
126	Regional factors interact with educational and income tax levels to influence food intake in France. <i>European Journal of Clinical Nutrition</i> , <b>2011</b> , 65, 1067-75	5.2	16
125	Differences in diet pattern adherence by nativity and duration of US residence in the Mexican-American population. <b>2011</b> , 111, 1563-1569.e2		39
124	Adult food intake patterns are related to adult and childhood socioeconomic status. <b>2011</b> , 141, 928-34		23
123	Socio-economic circumstances and food habits in Eastern, Central and Western European populations. <b>2011</b> , 14, 678-87		51
122	Improving the diet of employees at blue-collar worksites: results from the 'Food at Work' intervention study. <b>2011</b> , 14, 965-74		29
121	Changes in socio-economic differences in food habits over time. <b>2011</b> , 14, 1919-26		15

120	Frequent use of staff canteens is associated with unhealthy dietary habits and obesity in a Norwegian adult population. <b>2011</b> , 14, 133-41		22
119	Is maternal nutrition knowledge more strongly associated with the diets of mothers or their school-aged children?. <b>2012</b> , 15, 1396-401		25
118	Changes in healthy food habits after transition to old age retirement. <b>2012</b> , 22, 582-6		27
117	Socio-economic position and lower dietary moderation among Chinese immigrant women in the USA. <b>2012</b> , 15, 415-23		8
116	Is the objective food environment associated with perceptions of the food environment?. <b>2012</b> , 15, 291-8		38
115	Economic difficulties and subsequent sleep problems: evidence from British and Finnish occupational cohorts. <b>2012</b> , 13, 680-5		24
114	Experiences of health and well-being among Finnish low-income fathers. <b>2013</b> , 20, 165-75		1
113	Sociodemographic profiles regarding bitter food consumption: cross-sectional evidence from a general French population. <i>Appetite</i> , <b>2013</b> , 67, 53-60	4.5	10
112	Cluster analysis of fruit and vegetable-related perceptions: an alternative approach of consumer segmentation. <b>2013</b> , 26, 38-47		6
111	Ethnic differences in maternal dietary patterns are largely explained by socio-economic score and integration score: a population-based study. <b>2013</b> , 57,		28
110	Economic determinants of diet in older adults: systematic review. <b>2013</b> , 67, 721-7		40
109	A Scientific Assessment of Sociodemographic Factors, Physical Activity Level, and Nutritional Knowledge as Determinants of Dietary Quality among Indo-Mauritian Women. <b>2013</b> , 2013, 572132		9
