

CITATION REPORT

List of articles citing

Decision support for improvisation in response to extreme events: Learning from the response to the 2001 World Trade Center attack

DOI: 10.1016/j.dss.2005.05.025

Decision Support Systems, 2007, 43, 952-967.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
