

CITATION REPORT

List of articles citing

The ultrasound estimation of amniotic fluid volume in diamniotic twin pregnancies and prediction of peripartum outcomes

DOI: 10.1016/j.ajog.2007.01.030

American Journal of Obstetrics and Gynecology, 2007, 196, 570.e1-6; discussion 570.e6-8.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
