

# CITATION REPORT

List of articles citing

Recent changes in drug poisoning mortality in the United States by urban-rural status and by drug type

DOI: 10.1002/pds.1626

Pharmacoepidemiology and Drug Safety, 2008, 17, 997-1005.

**Source:** <https://exaly.com/paper-pdf/43373226/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
