

# CITATION REPORT

List of articles citing

Patient compliance to radiation for advanced head and neck cancer at a tertiary care county hospital

DOI: 10.1097/mlg.0b013e31815ae3d2  
Laryngoscope, 2008, 118, 428-32.

**Source:** <https://exaly.com/paper-pdf/43650046/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
