

# CITATION REPORT

List of articles citing

miR-124 and miR-137 inhibit proliferation of glioblastoma multiforme cells and induce differentiation of brain tumor stem cells

DOI: 10.1186/1741-7015-6-14  
BMC Medicine, 2008, 6, 14.

**Source:** <https://exaly.com/paper-pdf/43755210/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
