

# CITATION REPORT

List of articles citing

Flexibility of human cytochromes P450: molecular dynamics reveals differences between CYPs 3A4, 2C9, and 2A6, which correlate with their substrate preferences

DOI: 10.1021/jp800311c

Journal of Physical Chemistry B, 2008, 112, 8165-73.

Source: <https://exaly.com/paper-pdf/43848493/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
