

CITATION REPORT

List of articles citing

Perception and attitudes of firefighters on noise exposure and hearing loss

DOI: 10.1080/15459620701880659

Journal of Occupational and Environmental Hygiene,
2008, 5, 210-5.

Version: 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
40	Verifying the attenuation of earplugs in situ: method validation on human subjects including individualized numerical simulations. <i>Journal of the Acoustical Society of America</i> , 2009 , 125, 1479-89	2.2	5
39	Mexican adolescents' alcohol use, family intimacy, and parent-adolescent communication. <i>Journal of Family Nursing</i> , 2009 , 15, 152-70	2.2	20
38	Hearing problems among a cohort of nationally certified EMS professionals. <i>American Journal of Industrial Medicine</i> , 2010 , 53, 264-75	2.7	1
37	Modulation-based digital noise reduction for application to hearing protectors to reduce noise and maintain intelligibility. <i>Human Factors</i> , 2009 , 51, 78-89	3.8	3
36	Firefighter hearing health: an informatics approach to screening, measurement, and research. <i>International Journal of Audiology</i> , 2012 , 51, 765-70	2.6	2
35	Hearing protection use in manufacturing workers: a qualitative study. <i>Noise and Health</i> , 2012 , 14, 202-9	0.9	26
34	Predictors of hearing protection behavior among firefighters in the United States. <i>International Journal of Behavioral Medicine</i> , 2013 , 20, 121-30	2.6	19
33	Pilot task-based assessment of noise levels among firefighters. <i>International Journal of Industrial Ergonomics</i> , 2013 , 43, 479-486	2.9	12
32	Understanding and preventing noise-induced hearing loss. <i>Disease-a-Month</i> , 2013 , 59, 110-8	4.4	80
31	An Internet-based tailored hearing protection intervention for firefighters: development process and users' feedback. <i>Health Promotion Practice</i> , 2013 , 14, 572-9	1.8	8
30	Firefighter noise exposure during training activities and general equipment use. <i>Journal of Occupational and Environmental Hygiene</i> , 2013 , 10, 116-21	2.9	6
29	Hearing loss and use of hearing protection among career firefighters in the United States. <i>Journal of Occupational and Environmental Medicine</i> , 2013 , 55, 960-5	2	11
28	Challenges and successes in recruiting firefighters for hearing loss prevention research. <i>Workplace Health and Safety</i> , 2013 , 61, 257-63	2	3
27	Recent trends and future scope in the protection and comfort of fire-fighters' personal protective clothing. <i>Fire Science Reviews</i> , 2014 , 3,		40
