

CITATION REPORT

List of articles citing

Association of physical activity with all-cause and cardiovascular mortality: a systematic review and meta-analysis

DOI: 10.1097/hjr.0b013e3282f55e09

European Journal of Cardiovascular Prevention and Rehabilitation, 2008, 15, 239-46.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
