

# CITATION REPORT

List of articles citing

A comparative study of histologic response to different pulp capping materials and a novel endodontic cement

DOI: 10.1016/j.tripleo.2008.06.006

Oral Surgery Oral Medicine Oral Pathology Oral Radiology and Endodontics, 2008, 106, 609-14.

**Source:** <https://exaly.com/paper-pdf/44023515/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
