CITATION REPORT List of articles citing

Sildenafil citrate decreased natural killer cell activity and enhanced chance of successful pregnancy in women with a history of recurrent miscarriage

DOI: 10.1016/j.fertnstert.2007.08.043 Fertility and Sterility, 2008, 90, 1848-53.

Version: 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
