

# CITATION REPORT

List of articles citing

Changes in serum gamma-glutamyl transferase and blood pressure levels in subjects with normal blood pressure and prehypertension

DOI: 10.1016/j.cca.2007.11.026

Clinica Chimica Acta, 2008, 389, 189-90.

**Version:** 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
