

# CITATION REPORT

List of articles citing

HIV envelope-CXCR4 signaling activates cofilin to overcome cortical actin restriction in resting CD4 T cells

DOI: 10.1016/j.cell.2008.06.036  
Cell, 2008, 134, 782-92.

**Source:** <https://exaly.com/paper-pdf/44100992/citation-report.pdf>

**Version:** 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
