

CITATION REPORT

List of articles citing

Outcomes of carbapenem-resistant *Klebsiella pneumoniae* infection and the impact of antimicrobial and adjunctive therapies

DOI: 10.1086/592412

Infection Control and Hospital Epidemiology, 2008, 29, 1099-

Source: <https://exaly.com/paper-pdf/44115447/citation-report.pdf>

Version: 2024-04-05

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
