

CITATION REPORT

List of articles citing

Deletion of CD151 results in a strain-dependent glomerular disease due to severe alterations of the glomerular basement membrane

DOI: 10.2353/ajpath.2008.071149

American Journal of Pathology, 2008, 173, 927-37.

Source: <https://exaly.com/paper-pdf/44131319/citation-report.pdf>

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
