

# CITATION REPORT

List of articles citing

Mesenchymal stem cells inhibit natural killer-cell proliferation, cytotoxicity, and cytokine production: role of indoleamine 2,3-dioxygenase and prostaglandin E2

DOI: 10.1182/blood-2007-02-074997  
Blood, 2008, 111, 1327-33.

**Source:** <https://exaly.com/paper-pdf/44165067/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
