

CITATION REPORT

List of articles citing

Directed assembly of cell-laden microgels for fabrication of 3D tissue constructs

DOI: 10.1073/pnas.0801866105

Proceedings of the National Academy of Sciences of the United States of America, 2008, 105, 9522-7.

Source: <https://exaly.com/paper-pdf/44339669/citation-report.pdf>

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
