

# CITATION REPORT

List of articles citing

Update of potency factors for asbestos-related lung cancer and mesothelioma

DOI: 10.1080/10408440802276167

Critical Reviews in Toxicology, 2008, 38 Suppl 1, 1-47.

**Source:** <https://exaly.com/paper-pdf/44378555/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
