

# CITATION REPORT

List of articles citing

Autocrine regulation of glioblastoma cell cycle progression, viability and radioresistance through the VEGF-VEGFR2 (KDR) interplay

DOI: 10.4161/cc.7.16.6442  
Cell Cycle, 2008, 7, 2553-61.

**Source:** <https://exaly.com/paper-pdf/44446362/citation-report.pdf>

**Version:** 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
