

# CITATION REPORT

List of articles citing

Cognitive findings of an exploratory trial of docosahexaenoic acid and lutein supplementation in older women

DOI: 10.1179/147683008x301450

Nutritional Neuroscience, 2008, 11, 75-83.

**Source:** <https://exaly.com/paper-pdf/44610476/citation-report.pdf>

**Version:** 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
