

# CITATION REPORT

List of articles citing

## Inflammation, glutamate, and glia in depression: a literature review

DOI: 10.1017/s1092852900016734  
CNS Spectrums, 2008, 13, 501-10.

**Source:** <https://exaly.com/paper-pdf/44835429/citation-report.pdf>

**Version:** 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
