

The Stroop effect: Why proportion congruent has nothing
everything to do with contingency.

Journal of Experimental Psychology: Learning Memory and Cognition
34, 514-523

DOI: [10.1037/0278-7393.34.3.514](https://doi.org/10.1037/0278-7393.34.3.514)
