

CITATION REPORT

List of articles citing

Population pharmacokinetics of intravenous, intramuscular, and intranasal naloxone in human volunteers

DOI: 10.1097/ftd.ob013e3181816214
Therapeutic Drug Monitoring, 2008, 30, 490-6.

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
