

CITATION REPORT

List of articles citing

Alarming prevalence of fetal alcohol exposure in a Mediterranean city

DOI: 10.1097/ftd.ob013e31816a8657

Therapeutic Drug Monitoring, 2008, 30, 249-54.

Version: 2024-04-11

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
