

CITATION REPORT

List of articles citing

Diffuse musculoskeletal pain is not associated with low vitamin D levels or improved by treatment with vitamin D

DOI: 10.1097/rhu.ob013e31816356a9

Journal of Clinical Rheumatology, 2008, 14, 12-6.

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
