

CITATION REPORT

List of articles citing

Survival after massive hydroxychloroquine overdose

DOI: 10.1177/0310057x0903700112

Anaesthesia and Intensive Care, 2009, 37, 130-3.

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
